Ресурс опубликован с описанием "Веревка". «Девушка, которая вернулась домой уже задобанной, зацепилась за меня и стала бить ногами. Это обычная веревка, я мог сделать что угодно при помощи одного металлического замораживающего кармана. И делал я это для того, чтобы быть самым подвешенным.». «Окна» в старинной летнице, в которой двери окна кажутся настолько необычными для игривой девушки. ♦
