For more information, please visit: give our condolences to the family & friends of Melissa Gilbert. As reported by CBS, Melissa Gilbert, the now 80-year-old TV star from One Day at a Time, died this weekend of natural causes. Gilbert was best known for playing a beach buddy to Leonard Nimoy on the 1970s sitcom Three's Company, but she was also a singer, and managed to make the cut for the Top 10 list of Billboard's Hot 100 Songs of 1967. Her chart-topping single, "Dream On," also sold over a million copies, and a second single, "Love Hurts" went to number 10, but it's most famous single may have been her duet with Beethoven, "You're in My Heart." The duo's cover of the award-winning song spent 14 weeks in the Top 40 of the Billboard Hot 100 in 1971. [embedded content] "She was a really positive person," Gilbert's daughter Leslie Docking told CBS. "She's going to be greatly missed by all of us." We're joining the chorus of everyone else in letting Gilbert's family and friends know we're thinking of them.[Leprosy in the post-war period in Poland]. The paper presents data on the number of leprosy cases treated in Poland from 1950 to 1995. The main attention is focused on the period from 1950 to 1980, when the exact data on leprosy patients were rarely available. The changes in the epidemiological situation of leprosy are illustrated. Poland is among the countries where the actual leprosy incidence rate is the highest. The number of new cases in the period from 1980 to 1995 (1109) is comparable with that recorded in the 60's of the last century. Those who know me know I LOVE food.
