It was very interesting to compare the varying styles of blogging, as well as some of the very different views on life that each blogger has. I've compiled a list of what I found out, and it's definitely something for everyone to ponder. So without further ado... What do I do? I am a postdoctoral researcher at MIT. I am a biochemist, specializing in physics-based modeling of biopolymer dynamics. My long-term goal is to develop a model that can accurately
